# WHAT IS A SOAP?

## **WHAT IS A SOAP?**

---

SOAP is a super simple Bible Study method designed to help you study the Bible and apply it practically to your life.

It focuses on [1] Getting You In God's Word, [2] Engaging with God's Word, and [3] Applying God's Word.

This SOAP Bible Study method is an acronym for the four simple steps this method uses to help you do just that: Scripture, Observation, Application, and Prayer.

## HOW DO YOU SOAP?

---

### **S – SCRIPTURE**

Open your Bible to your reading for the day (ex. John 1:1-28). Take time reading the passage and allow God to speak to you. When you are done, identify a verse that stood out to you as you read (ex. John 1:14). Write the address and verse down in your journal.

### **O – OBSERVATION**

After you read through the verses, go through them again with the goal of making observations of the text. As you notice things, write them down. Ask the Holy Spirit to reveal these to you as you go.

Some helpful questions you can ask:

- What's going on in this text?
- What do I think is the main idea of this text?
- What words, verses, or ideas stand out to me in this text?

### **A – APPLICATION**

Now it's time to apply what you learned. Remember, inspiration without application will never lead to transformation. By personalizing what you have read, you are able to apply it to your life and done consistently, leads to transformation over time. Perhaps there is an instruction, encouragement, a reminder or promise, maybe a correction for a particular area of your life. Write down how you will specifically apply this text today.

### **P – PRAYER**

Last, we want to ask God to help us live and apply these truths in our lives. By writing down our prayers or the specific things we are bringing to God, we can remember what we prayed and can look back at how God moved in our lives as a result! So take a moment and write it out!

## OVERVIEW

---

Using the SOAP method laid out on the previous page, it's time to get started! Daily readings are already selected for you for each day of the 31-day study.

In the following pages, you will find daily journal pages to take notes and interact with. Feel free to use these pages or find another journal you can write in and keep consistently. I recommend a fresh journal that is only for your SOAP Bible Studies.

# READY TO GET STARTED?

## **HERE'S MY PRAYER FOR YOU:**

---

"Lord Jesus, as my friend here embarks on this Bible Study journey with you, I humbly ask that you meet them where they're at and encounter them with an overwhelming sense of your presence! I invite your Holy Spirit to rest upon them and do what only He can do. Will you also illuminate your Word and allow the words of your Word to saturate their heart and mind as it molds, shapes, and ultimately transforms them day by day?

May this journey draw them into deeper relationship with you as they seek to apply it to their lives. And if my friend does not yet know you, I pray that you become real to them as they discover the beauty of what you mean when you say that you are *the way and the truth and the life and that no one comes to the Father except through you (John 14:6)*.

In Jesus' name, let it be so!"

## YOU DID IT! NOW WHERE DO YOU GO FROM HERE?

---

They say it takes 14-21 days to form a habit. Now with these previous 31 days under your belt, you're doing it so -- KEEP BUILDING THIS HABIT!

In addition to time in the God's Word, one of the best ways we grow in our faith, is through the spiritual practice of community. This practice is one of the ways God intended to help us live out His Word in the world.

Below are three ways you can cultivate or discover community and continue taking your walk with Jesus deeper, further, and wider!

### 1

#### START A SOAP WITH OTHERS

Consider starting your own SOAP with friends. Find a book of the Bible or a topic (ex. the names of God) and decide the length of your study. Use the SOAP method laid out here.

Invite and share it with friends!

### 2

#### JOIN A LOCAL SMALL GROUP

Community is the heart of God! Small Groups in your church are a great way to not only find community, but also to help a big church start to feel small.

Join a small group or consider even starting a small group!

### 3

#### FIND A PLACE TO SERVE

The best way to find your life is to give it away. By finding a place to serve, you will find yourself on the same mission with others growing and making a difference together!

Find your place on a Team!
